## Course Content

*A two hour presentation from an FFT Trainer looking at how FFT Aspire can be used in conjunction with ASP and IDSR to ensure that schools can effectively evaluate their performance and measure progress, followed by an hour of supported "playtime" with the reports/systems.*

*Stay for the practical session or leave after the presentation as you wish.*

*The course will cover the following:*

- Learn about the key features of the FFT Aspire, ASP and IDSR systems*
- Hear about a blended approach to self-evaluation – maximising the impact of Aspire*
- How do you compare? A run through your FFT Aspire School Dashboard.*

*We will also look at the latest developments from FFT Aspire and Aspire Pupil Tracking*
